Tournament memorial to Jan Frisby

By Diane Parenteau

Whitney Lake — It's been just over a year since Janice Lee Frisby lost her three year battle with cancer. The 24 year old Elk Point resident was involved in a lot of sports including hockey, fastball and slowpitch.

"She was sports minded", said her father Fred Frisby. "If anyone around here wanted to outrun her in snow shoes, I don't think they could".

"She played on quite a few different ball teams", said sister-in-law Susan Frisby.

In her memory the 20 member Elk Point Lions club came up with the idea of a memorial Tournament.

"The Lions asked us if they could use her (Janice's) name", said Mr. Frisby. "They picked it and we were more than pleased...that they thought of us".

The club hosted and sponsored the first Annual Jan Frisby Memorial Tournament at the Whitney Lake ball park last weekend.

Fourteen mixed slowpitch teams, including a Lions team, played off for top positions and top prize money. Take home trophies were given to the first place teams in both A and B sides by the Lions club. Larger Frisby family trophies will be engraved with the winning teams names and remain in Elk Point for future tournaments.

After the end of the final game Sunday, and racing with the dark clouds closing in from the south west, cheque and trophy presentations were made.

Lion's president Mr. Tad Reed and member Chuck Frisby awarded 4th place B division winners "Squeeze Play" with \$150.00 cheque. 3rd place Botting team from Heinsburg received \$200.00. 2nd place "Lions Club" team accepted the \$300.00 cheque then donated it back to the club for the Cancer Society. 1st place winners on the B side "The Misfits" received \$400.00, a trophy from the Lions club and from Mr. Fred Frisby, his family trophy.

Over on the A side, placing 4th the "Yahoos" from St. Paul accepted \$200.00. 3rd place "Team Texaco" also from St. Paul took home \$300.00. Runners up "Video

Point" and the A side winning team "St. Paul Bruins" received \$400.00 and \$500.00 respectively. Mrs. Jeanette Frisby presented another family trophy to the A side winners.

"Everyone we talked to had a lot of fun", said Chuck Frisby.

"It would be Jan's wish to see more people involved in sports", said Fred Frisby. "She was strong enough (through her illness) and stayed right into sports."

Mr. Frisby also wanted to thank the Lions Club for thinking of his family.

"They're the ones that asked (us to get involved with the tournament) and we'd like to give our thanks back to them".

Gate fees, concession monies and other proceeds will be going to the Cancer Society.

Join the Color Party

Representatives of local clubs and organizations are being invited to take part in the pageantry of the 1987 Canada Day celebrations, in Elk Point by becoming part of the Color Party whose arrival is part of the Official Opening Ceremonies that day.

You are invited to dress in the uniform or regalia of your club if

any, bring along your club banner or flag, and be at the marshalling area, by the Elk Point Elementary School, at 11:45 a.m. on Canada Day, ready to march to the Grand Opening site north of the arena at 12:00 noon.

If you have any questions about the Color Party portion of the Canada Day program, please phone Sid Holthe for clarification, at 724-3837.

Twelve wins for Elk Point Elementary

By Don Conrad

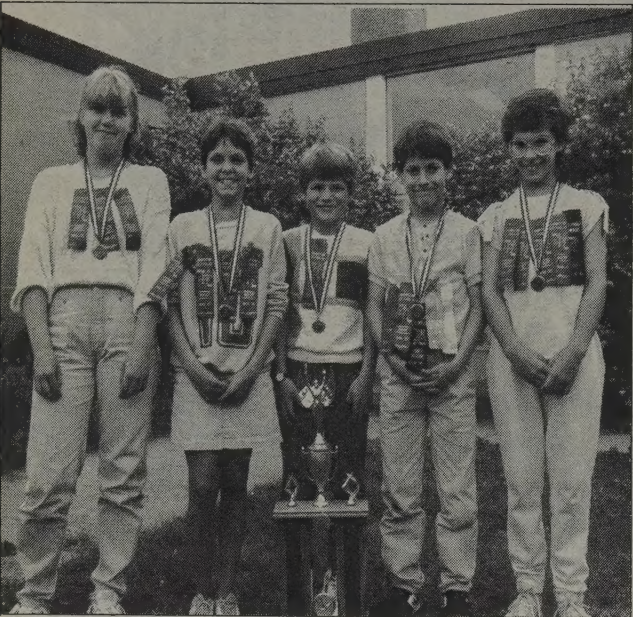

Nearly ideal weather conditions prevailed for the St. Paul County Elementary Track Meet which was held in Ashmont on May 27, 1987. A seventy-two member team, coached by Mr. Rob Boyd, represented the Elk Point Elementary School and upheld an eleven year reputation by bringing home the trophy for still another year. Also, five of the possible eight individual medals were awarded to Elk Point students for accumulating the most points in their categories. The award winners were: Loren Kozicky (6-7 year old boys); Conway Roscoe (8-9 year old boys); Melanie Ference (8-9 year old girls); Kara Serniak (10-11 year old girls); Bev Hillebrand (12 years and over, girls).

Having won the County Cup for twelve consecutive years the students of the Elk Point Elementary School are looking forward to next year to prove that number thirteen is not unlucky.

TEAM ELK POINT — Poses proudly with the County of St. Paul Elementary School Track Meet trophy which they won last week for the

twelfth consecutive year. Congratulations to all the youngsters who worked hard for this outstanding achievement.

MEDAL WINNERS — At the County Elementary Track Meet were, l-r: Bev Hillebrand, Kara Serniak, Loren Kozlicky, Conway Roscoe and Melanie Ference.

Heart attack!

It's 3:45 a.m. and a man in his early fifties is awakened from his sleep by a sudden tightening in his chest. He decides to sit up for awhile and hopefully the pain will go away. His pyjamas are soaked with perspiration. At 4:14 a.m., his wife awakes from her sleep and she is quite concerned about her husband. The wife leaves the bedroom to call the doctor. It is now 4:30 a.m. as she explains the situation to the doctor. The doctor tells her to call an ambulance and he will meet her at the hospital. She goes back to the bedroom and finds her husband laying on the floor, lifeless, not breathing. She runs back to phone the ambulance. She frantically flips through the telephone book for the ambulance number. Finally she finds the number and in panic explains her plight. The ambulance books on the air at 4:35 a.m., "Respond to 125

Anystreet, N.E., possible heart attack victim". The wife goes back to the bedroom to wait. She watches in horror as her husband lies on the floor. Words cannot describe how helpless she feels. The ambulance appears to be taking forever. The paramedics arrive at 4:39 a.m. They check for pulse, respiration and pupil reaction. Reluctantly a paramedic pulls a sheet off the bed and covers the patient up.

IT IS TOO LATE!!
Make sure this does not happen to

you. CPR can save lives. Cardio-Pulmonary Resuscitation is an emergency method of restoring breathing and/or heartbeat when they have suddenly stopped. It can be learned by anyone.

A Basic Rescuer CPR course will be held on Saturday, June 13, from 8 a.m. - 4 p.m. at Elk Point Municipal Hospital.

For more information and registration, contact: Lakeland College at 724-4265.

Dewberry proud of their Class of '87

By Genevieve Websdale
Dewberry Graduation Class of 1987, we are proud of you! We have reason to be. After doing some research we find that your accomplishments are many, and what is more, quite outstanding, for a class of 8 students.

Here are a few statistics in this regard:

Three of your 1987 class (38%) have played on the Dewberry Midget Girls' team which won the gold medal for Alberta Championship in 1984 and 1986 and the silver medal for 1985.

Two, (25%) have taught figure skating.

One is a life guard and has earned the rating of Instructor I and II in swimming.

Other statistics show 100% of the class participation in curling, 100% in figure skating, 100% involvement in community clubs - eg. Boy's Club, Explorers, and 4-H.

As for the arts - 5 of you have taken piano lessons (63%) with 3 achieving from Grade 6 to Grade 10 Toronto Conservatory of Music standing. One has taught many music pupils who

took part in a musical recital a few weeks ago which was enjoyed by many.

50% of you have formed a Drama Club and have performed many times at school functions and Family Nights.

25% have taken dancing.

38% have studied organ lessons, one of whom is a church organist.

63% are members of a choir, one member being a soloist.

Academically, you are doing well. 50% of your class has been accepted at the University of Alberta and 38% have made plans to attend NAIT or Lakeland College. At present all have part time jobs. Because your classes are smaller and on a more personal basis you have acquired a friendly and outgoing manner. This is a great personality plus that will take you a long way in life.

All this you have done in spite of having to spend, as a class average, the time of 1 hour and 18 minutes riding on the school bus each day.

Parents and ratepayers do not let your high school be taken away. Our assessment in the Dewberry area is high. If what we pay in school taxes were fairly shared we would have a well equipped high school. We complain that in Alberta we are subsidizing the Central Provinces of Canada. Let us not have a similar situation in our school County of Vermilion River.

Once again Congratulations to our graduation class. I wonder if any other schools could surpass these statistics.

JAWS OF LIFE FUND GROWS — Greg Grabowski makes a sizeable donation to the Elk Point Firefighters Association Jaws of Life Fund on behalf of Amoco Canada. Russ Hebblethwaite accepts the cheque.

JAWS OF LIFE FUND TOTAL NEARS \$4,000. — With Pat Soldan, representing the United Nurses of Alberta Local No. 26 presenting Russ Hebblethwaite with a cheque on behalf of the Registered Nurses at Elk Point Hospital.

The Town of

Elk Point

80th Anniversary Celebration Presentations

The Town of Elk Point is honoring its citizens who are 80 years and older during the 80th Anniversary of the settlement of Elk Point.

The Elk Point Anniversary Celebrations Committee is pleased therefore to extend a cordial invitation to all residents of Elk Point and area to attend the special presentation ceremonies on Thursday, June 11, 1987 at 2:00 p.m. in the Elk Point Elks Community Hall.

Special guests and presenters will include Mr. John Drobot, MLA St. Paul Constituency, His Worship Mayor Byron Mann, Town of Elk Point and Reeve Robert Bouchard, County of St. Paul.

Coffee and donuts will be served at the conclusion of the ceremonies.

Please accept this as your personal invitation to attend.

Dated at Elk Point this 21st day of May, A.D. 1987.

L.P. (Pat) Vincent
Municipal Administrator

Hospital Auxiliary winds up May activities

By Irene Magnusson

Thirteen members of the Elk Point Hospital Auxiliary met in the usual meeting room, Monday, May 25, to hear reports of the May 12 Tea, and of the Conference attended by treasurer Violet McFadyen.

Vice-Chairman Teresa McCuaig called to order with the Prayer. Minutes were accepted. McFadyen gave the report of the Tea and Bake Sale, read her Financial Report and stated that 13 Cookbooks have been sold for the Air Ambulance assistance fund.

The canteen is going well, with a good supply of handmade articles donated. It was learned that the sup-

plier for the auxiliary's pop machine has suggested the price go to 85 cents per can. It is now 75 cents. There will be further discussion on this. There is a shortage of storage space for canteen supplies.

Diane Anderson reported that the baby 'toques' made by the members will not be continued, as they didn't find favor in the nursery. Anderson also read a list of supplies required by the hospital that the auxiliary might wish to donate. It was agreed to purchase all on her suggested list, for a total of some \$4,000.

The chair again urged all members to keep account of the number of

hours of volunteer work done for the group. A new form was shown, to keep this record on, and accepted by the group. This report is to be delivered before June 10 annually.

Erna Holliday suggested a polaroid camera be purchased to record special events, such as newborn babies for their parents. Fathers' Day tray favors for patients were decided upon.

Mrs. Anderson had information on a meeting to be held in Wainwright, June 7 (evening) and June 8 (9 a.m. to 4 p.m.) at the Grace United Church, "Challenge to a Caring Community." This workshop would be to teach those wishing to work in the community (as, visiting patients, etc.), and other subjects on community living.

Mrs. McFadyen then gave a report on the meeting held at the Alberta Hospital earlier in the month. She enjoyed the good information given and especially the tour of the mental health facility. The 1st Mental Hospital was instigated in 1835, and improvements have occurred steadily. Alberta Hospital now has 648 beds, 58 doctors and a staff of 1200.

Reports on activities on 3 Auxiliaries were heard: St. Paul, with 35 members, Cold Lake, with 24 members and Willingdon, which has

30 members. A report from the National Conference of Auxiliaries in Montreal was heard, a good meeting with 78 members present, McFadyen said.

Auxiliary members joined to offer sympathy to their Chairman, Wasy Elaskuch.

Next meeting will be June 29. Adjournment at 9:45 p.m.

Tea a success

By Irene Magnusson

Hospital Day was again marked in Elk Point by the annual Hospital Auxiliary Tea, Bazaar and Bake Sale. Two p.m. of Tuesday, May 12, saw the sale open with laden tables and eager shoppers. As usual, the bake table was almost cleared off in the first half hour, with brisk sales of Crafts and Plants, also.

The hospital waiting room was again the scene, with Tea offered in the cafeteria — also filled to overflowing in short order — where a delicious lunch was served by Auxiliary members and hospital staff.

Proceeds were: tea tables, \$95.55; Craft sales, \$252.70; while Home Baking brought a whopping \$351.65, for a total of \$699.90 — which comes

mightily close to 700 bucks!

Thanks to all who worked the tables, to those who donated baking, crafts, plants and especially to all who patronized the event. The Auxiliary appreciates your efforts.

In addition, the Auxiliary sold 12 cookbooks, "S.T.A.R.S. Good as Gold", at \$20 each, for a total of \$240, proceeds in aid of Alberta Air Ambulance, a much-needed emergency transport service, now endangered by financial cut-backs. This cookbook features favorite recipes of V.I.P.s and celebrities, and is available from the Auxiliary Canteen in the Elk Point Hospital lobby, while quantities last. The Canteen is open part-time, all week days.

ELK POINT HOSPITAL AUXILIARY TEA — May 12, 1987. "The Bake Table" at 2:00 p.m.

County of St. Paul No. 19 AGRICULTURAL SERVICE BOARD

The County of St. Paul No. 19 will be commencing their 1987 Roadside Spraying Program for control of brush and weeds.

Great kids

We know they're out there.

of those around them, and whose accomplishments and efforts go unsung.

Let's hear about them.

In this community, there are many young people whose community spirit, caring attitudes and outstanding achievements are worthy of acclaim.

The Elk Point and District Chamber of Commerce annual search for deserving candidates for the July 1 youth of the year awards is on. Please let the Chamber know about the people you think deserve these awards, so their efforts may be suitably recognized.

Every week, our pages contain stories and pictures of the winners of everything from sporting events to academic awards. There must be many more stories we never hear of youngsters and young adults who help to enrich the lives

Environment Week

Huge clouds of dust, sent high in the air by gale-force winds. A farmer, dipping herbicide pails in the creek to get water to rinse out the last expensive drops. The stench of hydrogen sulfide gas, wafting across the prairie air toward a small town. What do all these scenarios have in common?

The herbicide escaping in minute quantities into the creek is easily preventable, if users of the product are made aware of the hazards of their action. It only takes a few drops to kill the fish who make the creek their environment, but it is totally possible that the public believes a herbicide will only kill plant matter. Public awareness is the key.

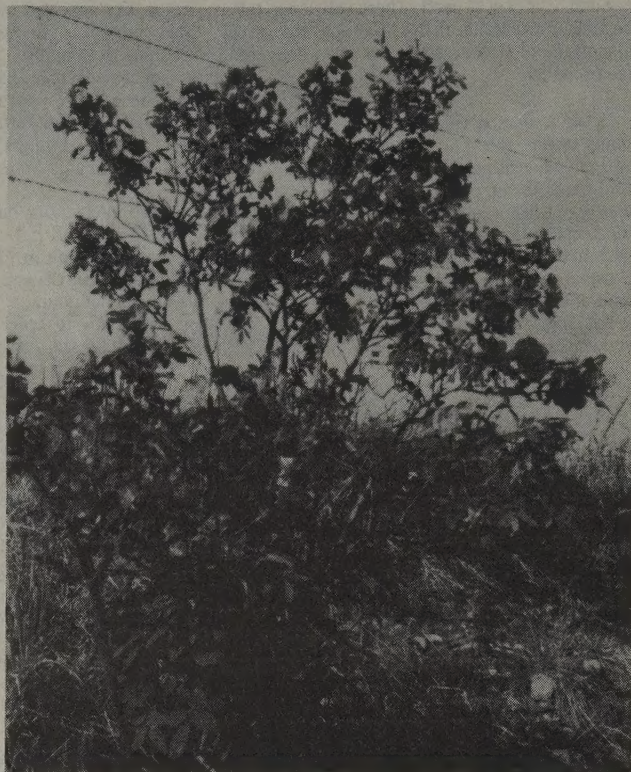

All three are an assault on Alberta's environment. May 31 to June 7, 1987 has been declared Environment Week, with the aim of making all Albertans more aware of the threats to our surroundings, so that we may take measures to prevent them.

The public is aware of the fumes escaping from industry into the air we breathe. So are the industries. However, they must continually try to improve their ways to undesirable emissions. This is strictly enforced by the government, as it should be.

Obviously, one cannot stop the wind, nor can we stop the melting snow and rain from running across our land. However, we can ensure that trash cover is left in place, and we can plant shelterbelts across our fields to diminish the effects of wind, and we can plant grass where excessive runoff occurs, to prevent water erosion. Our soil is precious and we should try to keep it where it belongs.

Earth, water, and air are three of the basic elements our life is built on. And, as homespun humorist Will Rodgers once said about land, "they ain't going to make any more of it." That applies equally to all three.

Please help to protect our environment for not only ourselves, but for the future.

I THINK WILD ROSES WERE GIVEN BY GOD — To compensate for long cold winters, storms and snow — but man is too foolish to appreciate them. These once grew by our fenceline. The roadside spray-to-death program soon put an end to them. Now there is only drifting dust (or snow). June should be full of wild roses.

I. Magnusson

Alberta Trails

The joys of June

By Irene Magnusson

Hello, June! You short green span Of thirty days amidst a longish year; How swift you speed your hours away!

How loved you are! How dear To brides and grooms and little boys To birds and bees - and me! In June we can believe again Know hope and love - and Be!

(from Season, p. 11)

These were my thoughts some years ago, and I see no good cause to change my conclusions about June. It is surely our best month, and even with the devastating snow storm and freezing temperatures of last week, there will still be growth and beauty for June. It is possible we will miss the wild roses, and certainly a lot of the other blossoms of June, but some will come, the birds still sing, the grass is green.

In June you who have been 'blest' with caterpillars can look forward to their demise, and some leaves will return to the defrocked branches. In my immediate area, I have seen none, but I know it is just a matter of time until it's 'our turn' again - and I'm sorry for you who have the little pesks decorating your doorknobs and dripping on your shoulders.

Graduations have come and gone (mostly), and students can settle down to some serious work before exams. June will see the make-or-break of a long year of work for them. Best Wishes to you all. And I share the joy of last day of school for all the students.

Gardeners will watch their seedling sprout, their plantings flourish or droop, and the hoe should get a workout. Certainly our lawn-mowers will get to inspect all corners of the lawn again.

It seems to me June has found strawberries ripening, and first taste of fresh lettuce and radishes from our gardens. Lakes will yield their fishes (reluctantly) and, as year by year, the ones taken are smaller, we are tempted to try for even more of them

to fill the fryingpan. But the lure of the waters is strong, boats will be out on the blue (grey/green) waters, their occupants rod in hand. I'll think of you with envy.

Some aspects of what June can do are not so much to be envied. My Canadian Weather Trivia Calendar goes on about the rains, hails and tornadoes of June in other years. On this day (June 3), 1976, severe thunderstorms struck in Saskatchewan, with giant hailstones 8 cm in diameter (a hair over 3 inches across) hit one town. Total damage was over \$6 million. Not a nice day, at all. Tornadoes are also more prevalent in Canada than we like to believe, and June, unfortunately, is a favorite time for them to strike. We shouldn't believe it "can't happen here."

June, thank goodness, will see the end of the Hockey season for a few weeks, before it starts up again. And much as we want "our" team to win, it certainly gets boring to find nothing else on our TV screen for endless weeks. Of course, it will be replaced by even more boring ball games, so ... ho hum.

Around here a great deal of thought and effort, during June especially, goes into the celebration and observation of July the 1st, Canada Day. Which is a good and laudable activity, for Canada Day is important, and around Elk Point, we are also observing the 80th year since arrival of the first permanent white settlers into the area, together with a twenty-fifth anniversary celebration of Elk Point's incorporation as a Town. So a celebration is in order, and can only be achieved by a good deal of planning, and even more work.

However, I hope we don't spend all of our one and only June, our Princess month, in preparing for the next one, and let these soft and delicious days slip by unfelt, uninhaled, unobserved. My own dream of the perfect June day, would see me doing

nothing at all except sit on the deck and look at the sky, the leaves, the clouds, then to walk in the woods, touching the bark, smelling each separate scent of growth, absorbing every shade of greenery, hearing each chirp, buzz, rustle and song delivered to the world for free from birds, bees, leaves and breeze.

Then would I know the joys of June - and I must admit I really do this now and then, but not every day. But wouldn't that be the ideal way to live a June in Alberta?

4-H Multi Club news

By Rhonda Pinder
Club Reporter

On Wednesday we held our 8th general meeting. Roll call was done by answering "What I like or dislike about 4-H". Minutes were read and treasurers report read. Then we discussed our April & May activities. Our highlights of April were the Marti-Gras in Goodridge where this was just a day of fun and meeting new friends. May 10 we sold food at Demchuk's sale. Highway clean-up, we did 7 miles. On behalf of the 4-H club I would like to thank Mr. and Mrs. Orr for the refreshments.

Now onto new business - Achievement Day Plans, June 6 we bring our displays, program starts at 4:00

We will be going to Lloyd to Expo on May 31. This is a weekend where all kinds of clubs display their work, there will also be shows such as horse, dog, sheep.

Our float for the parade - we will be joining the beef club. For our wind-up party 4-H foods will be preparing the meal on Sunday, June 14 at 7:00 p.m.

Meeting was adjourned and then Mary gave a demonstration on how to make Potatoe Salad.

Twenty three grads of library training program

A pilot project aimed at providing training to rural librarians has proven invaluable, according to the project's coordinator Marilyn Ming.

For the past two years librarians from area towns and schools have travelled to Fort Kent each Wednesday afternoon as participants in the first on-site rural library training course. Last Wednesday 23 librarians from the Lakeland area received their Rural Library Training Project certificates.

The Lakeland area was one of three in the province chosen to pilot the project, according to Ming. In addition to on-site instruction, the course was also offered through correspondence and teleconferencing. Ming said each method of teaching the course has proven successful.

"There's certainly a difference in cost but otherwise they are all about even," she said following last Wednesday's graduation ceremony. "The students here consider the on-site approach as being the best."

A joint project funded by Alberta Advanced Education, Grand MacEwan Community College and delivered by SAIT, the program aims to provide rural librarians with basic library training. Other advanced courses are also offered. Up until now no courses existed for rural librarians to improve their skills unless they were prepared to travel to Edmonton or Calgary to do so, where such courses have been available for a number of years. As a result the new program has been well received.

designed to provide library training for librarians in rural communities. Many of our rural librarians have not had any basic training at all," Ming explained. "We started with 80 pilot students in the province and we have about 44 grads as of this month. It's about what we were hoping for."

In all 15 courses are offered through the program, nine of which are needed to obtain the basic certificate which the graduates received.

Wayne Shillington, dean of regions for Lakeland College and a guest at the graduation, praised the students for their diligence in completing the course while working at the same time.

"It's a hard task for many to combine work with being a student," he said.

Shillington also commended the various school and library boards for taking an interest in the pilot project and offering their full support.

Chris Nelson, consultant with Library Services of Alberta Culture, congratulated the graduates on their dedication throughout the two-year program.

"Library Services Branch is expecting great things from you. Now that you've got some training under your belt you'll be able to better serve the public," she said.

Graduates from the area were: Diana Courtier (Elk Point), Cecile Mahe (Mallaig), Eva Preston (Ashmont), Doreen Mayner (Elk Point), Sherry Young (Heinsburg) and Dianne Arychuk (Glendon).

RURAL LIBRARY TRAINING PROJECT — Five area librarians were among 23 graduates receiving their certificates upon the completion of a two-year Rural Library Training Project during a ceremony in Fort Kent last Wednesday. Pictured are (back row, left to right): Project coordinator Marilyn Ming and Instructor Barb Allan,

course graduates — Diana Courtier (Elk Point) and Doreen Mayner (Elk Point). Front row, left to right: course graduates — Cecile Mahe (Mallaig), Eva Preston (Ashmont), Sherry Young (Heinsburg) and Dianne Arychuk (Glendon) who received her advanced level certificate. Congratulations ladies!

MAKING A JOYFUL NOISE — With chain saws and other gardening equipment, the members of Elk Point United Church make short work of cleaning up the church grounds.

Who saw buffalo?

In the spring of 1970, a truck load of buffalo were hauled from Elk Island Park, east of Edmonton, to Prince Alberta Park in Saskatchewan. Upon release, three escaped and instinctively headed back to Elk Island. Two were soon captured, but one bull evaded all attempts. As he cross the Alberta-Saskatchewan border, tales of his progress sped over the country. The media became involved. C.K.S.A. Radio, Lloydminster, reported daily 'buffalo sightings', and local newspapers mapped his route. We knew when the buffalo crashed through a fence, fought a domestic bull, and raised havoc with the cows. Excitement mounted when the buffalo was seen swimming the North Saskatchewan River east of Lea Park; now he was in 'our country'. The morning of Sunday, August 2, 1970, he rested, chewing his cud, on the 'old Mclean place', north-east of Dewberry. People took pictures or just showed him to their children. He became a folk hero, this last independent buffalo. His trampling of someone's grain field seemed a small

price to pay for a visit from this once Lord of the Prairies. We shook our heads in sympathy and secretly cheered him on.

In three months the buffalo covered over 300 miles and was back at the Elk Island Park fence-line, looking for an opening. He was welcomed by the park game wardens with rifles and killed. They reasoned his taste of freedom had exposed him to disease and the isolated park animals had to be protected. Like other heroes, he's been forgotten. Almost...

I am writing a collection of short stories that will be loosely woven together by a glimpse of the buffalo. Although my characters and incidents will be fiction, I am looking for information regarding the route he took, and ask anyone that saw the buffalo to please write me, stating the time of year and location. No news will be 'too trivial'. Pictures would be a bonus and I will reimburse the sender for any expenses incurred.

Saddle Slickers 4-H report

Since we haven't put a report in the paper for a long time, I will give you a short review of what we have been doing.

Our club joined in the HIGHWAY CLEAN-UP on May 2. We all had a good time. After the clean-up we went to the Kehewin Campground to have lunch. We roasted wieners and marshmallows. We all had lots of fun that day.

Jerry Blize helped us make saddle stands. He got all the wood together and all the nails our club needed to make the stands. We first nailed together all the boards together, then we sanded them. We didn't paint them but most of us decided that we

were going to paint them at our own homes. We thought they looked really nice when they were done.

We then had our next meeting on May 26. We discussed raffling off the foal and decided not to raffle it off. We talked about making leg wraps and decided we were going to make them. We discussed making a float for the parade for July 1. There wasn't any definite idea. Since the parade is about pioneers, we are going to have outlaws beside whatever kind of float we have in the parade. We also have decided to use the same flowers as last year.

BUFFALO NEAR DEWBERRY- 1970

THE NEW MISS LAKE LAND — Kathy Mistol handed over her crown to Wendy Tyner during the gala Miss Lakeland Pageant held at Exhibitat over the weekend. The new Miss Lakeland hails from Marwayne and you can certainly see why she caught the judges' eye. Congratulations Wendy!

Termites extend winning streak

By Pat Vincent
Baseball is truly a team sport. The Elk Point Truss Termites

adequately demonstrated that old baseball axiom last Saturday, May 30, when every player on the Termites contributed to the team's 18-1 whitewash of the Bonnyville Green Machine.

In the game played before a large audience of parents, brothers and sisters as well as other interested onlookers at the north hill diamond in Elk Point, the Termites received superb pitching performances from Justin Conrad, Dennis Hudy and Matthew Vincent in defeating their Bonnyville opposition in a five inning ball game.

The Termites' large offensive output involved every member of the team with Chris Mackay, Kelly Peterson, Dennis Hudy, Joey Youngchief, and Rene Ringuette each crossing home plate twice. Other members of the Termites contributing single runs were Raegan Croteau, Curtis Poulin, Mark Woytkiw, Justin Conrad,

Matthew Vincent, Matthew Nixon, Derek Pigeon and Jamie Franson.

The victory by the Termites extended their winning streak to two games and improved their season record to two wins and no losses.

The team is currently finalizing arrangements for games this week and next prior to participating in a Mites Division tournament hosted by Grand Centre on the June 13 and 14 weekend.

The management and players of the Termites Ball Club would like to extend a sincere thank you to Umpire Ron Peterson who did a great job, and to all the baseball fans who came out and cheered on the team: your support was greatly appreciated.

We will be looking forward to seeing you out at our next home game.

4-H Beef Club report

By Barbara Naber

Our Mini Achievement day, held April 26, was quite successful. A special thank you goes out to Miss Edith Fontaine from St. Paul for her guidance and helpful advice.

I would like to express an additional thank you to Mrs. Kurek and Mrs. Theriault for their lunches at our last two club meetings.

This year's Achievement Day will be held in the Elk Point Arena at 7:00 p.m. on Saturday, June 6. The Multi Club will hold their Achievement Day at 4:00 p.m. on the same day, and at the same place.

Hope to see everyone next year!

Kids Klassic at Rusylvia

By Shirley Osinchuk

May 24 dawned clean and warm for the annual Rusylvia Kids Klassic Ball Tournament.

Twelve teams entered, three of Midget boys, four of Squirt boys and five PeeWee girls' teams.

The Midget boys from Rusylvia played Rivercourse first. After an extra inning, Rivercourse won by one run. The second game was Marwayne and Rusylvia, which Rusylvia won. Then Rivercourse and Marwayne played, and Rivercourse won.

The Clondonald, Paradise Valley and two Vermilion teams in the Squirt boys series ended with Clondonald winning the A side and the Vermilion 1 team winning the B side.

On the girls' diamond, teams from Elk Point, Vermilion, Clondonald, Rivercourse and Mannville played off. The Clondonald girls played Rivercourse and lost by one run. Later they beat Vermilion, then played Mannville and also won that game. At the same time Elk Point and Rivercourse were playing off for the A side, with Elk Point winning. Clondonald won the B event.

Congratulations to the Rusylvia Ukrainian Community Association who plan and put on three excellent tournaments each summer. The next is the Rusylvia Picnic, June 20 and 21. Call Ron Harasiuk at 741-2167 or Vic Nowosad at 853-2676 to enter your adult team.

April Fool's Day in London

By Shirley Osinchuk

LONDON, 1987 — 2:30 a.m., a knock on Mr. Hendriks' hotel room door. It was three of the girls. "It's 7:30, Mr. Hendriks, time to get up. April Fool's Day!!" (They had conspired with Miss Carter to borrow his watch the night before).

The weather played April Fools on us, too. We left in the coach at 8 a.m. in the rain and wind. It was a two-hour drive to Oxford. Rain on the outside of the windows and mist on the inside made it hard to see the beautiful countryside.

Ancient, moss-covered trees had been blown down in the storm, just before we arrived in England. They broke spaces in stone fences built centuries ago by laying flat rocks together without mortar.

We passed fields green with strawberry plants, cherry trees blooming pink and white blossomed apple trees. Field after field pastured sheep with their tiny lambs, the lambs all the same size in any field.

Near Oxford, the farm yards and countryside reminded me of the old stone homes and farms I remember in central Ontario, except for the daffodils and crocuses blooming everywhere.

June, "follow the brown umbrella", our tour guide for the day, explained that the roads were so twisting so that witches could not fly into the towns. Witches can only fly in a straight line.

In Oxford, the famous university town, we were shown the quad, chapel and library of Brazen Nose College. Ancient books in the Library were kept under glass and a cloth cover in a dimly lit room. The quad is the central, grassed area, enclosed by college buildings. Each college is autonomous, with its own library, chapel, etc.

Since it was near exam time, we could not see any other colleges, but had a few minutes to look around the town, and prowl through the market.

At 11:30 a.m. the coach left for Stratford-Upon-Avon. The drive took an hour and 15 minutes, during which almost everyone slept.

Once there, we made good use of our umbrellas, and took tours of Anne Hathaway's Cottage, in Shottery, about a mile from Stratford, and Shakespeare's "Birthplace" in Stratford-Upon-Avon.

Anne Hathaway was Shakespeare's wife. They were married in November of 1582, when he was 18 and she was 26. The "Cottage", a large home at that time, was her family home.

Both these homes are well preserved and show the old ways of home building. In both cases, too, the only way out is through a souvenir shop.

Short of time again, one of the Quebec students was a half hour late, having misunderstood the time we were to meet. Two of his friends caused more problems by going out the

back door of the bus to look for him. Their supervisors' expressions led us to believe that they would be dealt with later.

We had to be back to London on time because the Quebec group had reservations for dinner and a play.

In Stratford, Marj bought a Birthday cake and smuggled it on the bus. Somehow it was intact for a surprise Birthday party for Sandra Womacks, who reached the big "16" that day. We met in the hotel lounge for cake and prawns (which had been bought in Stratford and cleaned in the hotel bathroom).

Harry Jarvis, one of Marj's London relatives, drove those of us who were interested to the Bedford Arms, where we visited with Harry and Marj Jarvis, and Paul, Mel and Joan Rogers. Joan is the Captain of a ladies' dart team there, and she got the kids and Mary going in a dart game. The kids gave a demonstration of the Texas Line Dance, and the owner gave each of us a key ring from the Bedford Arms. We gave him Canada pins to give to his regular customers.

We did not take the students to a bar as we know them here. This was what we might call an "old-fashioned English Pub". It gave us a look at everyday English culture and a chance to get to know some ordinary people like ourselves, away from the tourist track.

COREY CROSS AND SANDRA WOMACKS — About to serve the 16th Birthday Cake.

Comments from the students

Twila Smith: There was too much to see in too little time. It was a great experience.

Sandra Womacks: I still think it gave us a great sense of responsibility, being without our parents in a strange country.

Crystal Fayant: I think the trip was very educational and very exciting in a whole lot of ways. I would certainly go back there again.

P.S. The people were great.

Jason Kinch: While being overseas in a strange country, in a crowded place, it makes you appreciate Canada, the wide open spaces and all the freedom we have. Even though I would go back again if I had the chance.

Calvin Labiuk: This may sound like a cliché of the rest of the group but "it was great". Going on this trip gave a special meaning to most every part of London. I learnt a lot but there is still

plenty of worthwhile places to return to.

Kirsten Vinge: It's important that we travel to different parts of the world. It brings people closer together. You meet people just like ourselves and learn that even though they are thousands of miles away they still have the same interests as us. Go, you'll enjoy it!

Alan Abraham: While in a strange country I found that being overseas and thousands of miles away from home people have the same interests and non-interests as we do here in Canada. You learn things that are educational, you learn the sense of responsibility, and have a lot of fun. It was great, and I wouldn't mind going back there again. To the people reading this article, I encourage you to go, you'll enjoy it, and have fun like we did.

Kim Thomson: The trip was a lot of fun. It was a great opportunity for all

who went. I would encourage anyone who has the chance to go on such a trip to go. I had a fabulous time!!

Corey Cross: This was a fun trip. We all learned a lot and went to a lot of places, but the hardest thing to do was get used to the time differences and also getting used to all the green grass.

Sheila McGillis: The trip was great, London was beautiful, it's exciting, interesting and very educational. If you ever have a chance to go to England, Go for it! It's great!!!

Dwayne Durocher: London was a lot more than I expected when you read about it, couldn't compare to when you actually see it. It's a beautiful place and I would go again if I had the chance. I also hope other people from here get a chance to go.

Roger Osinchuk: It was a really great experience, very educational, and a lot of fun. I would encourage anyone of any age to travel abroad as much as possible.

R.W. Hendriks, Supervisor: I was very pleased with the success of the trip. Our students behavior was sterling. Our plans went ahead as scheduled with very few glitches, and our educational objectives were met and even surpassed.

In Memoriam

NELSON, Carl

In loving memory of my dear husband, father and grandfather who passed away June 4, 1986.

They say time heals all sorrows, and helps us to forget; but time, so far, has only proved how much we miss him yet. God gave us the strength to take it, and courage to bear the blow; but what it took to lose him, none but God will ever know.

Sadly missed by loving wife Olive, Deanna, Gordon, Carl, Gayle & Melanie and Donna, Lucien, Deann & Dennis.

HEINSBURG — For the second time in as many years the Heinsburg school student union has applied for and received money from the Alberta Sports Council. Kirsten Vinge, school president and Kevin Bristow, vice president, accepted a \$2,000.00 cheque from Mr. Malcom Kano, Alberta Sports Council Northeastern Alberta zone co-ordinator from Lloydminster. The \$2,000.00 will go to buy new cross country skis for the school. "We want our money to go towards sport development," said Kano, "to help build better athletes." The Local Sport Development Project is only one of about 30 programs. Applications are reviewed quarterly. Last year \$4,000.00 went to buy the universal gym set up in the stage in Heinsburg school.

Heinsburg piano recital

By Shirley Osinchuk
Another group of talented people gathered with family and friends to perform on Thursday, May 28. The piano students of Marj Carter played their recital at Heinsburg Community School.

Two adults, played classical, pop and old favorites. Miss Carter played duets with two of her students. After each had been presented a hand made certificate, Miss Carter was persuaded to play also. She entertained with "Somewhere Out There".

PIANO RECITAL. HEINSBURG — Back row: Miss Marj Carter, Shirley Hendriks, Loretta Smuk, Michelle Peters, Tanja Peters, Connie Thomson. Middle: Lily Thomson, Edlyn Smuk, Daleen Gunderson, Kirsten Sanders. Front: Jaylene Purdy.

Helpful hints to a Great ALBERTA Break!

JUNE JULY

Alberta is alive with exciting activities! In our cities, towns, parks and playgrounds, there's always something fun going on! Share in all that our province offers. Plan an Alberta break today! Here are some great ideas to get you going.

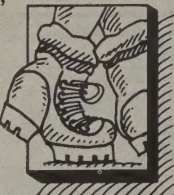

1 Campsite reservations can be made in 29 provincial campgrounds this summer, including Sir Winston Churchill, Long Lake and Garner Lake Provincial Parks, by calling 623-5319. For a complete list with reservation office phone numbers contact Travel Alberta.

2 Lesser Slave Lake's Golden Pike/Golden Walleye Fishing Derby, June 1 - September 7, features over \$30,000 in prizes this year. So "Take an Alberta Fishing Break" in Slave Lake this summer.

3 Participate in a "Volksmarch" this summer. Volksmarches are organized hikes normally covering distances of 10 and 20 kilometres and participants go at their own pace. There are eight volksmarches planned beginning with Barrhead, June 7. Phone 458-5600 for more information.

4 Victoria Settlement, site of Fort Victoria, a Hudson's Bay Company Post, features the oldest building in Alberta still on its original site, the restored and refurnished Clerk's Quarters. Interpreters in period costume guide you through the site, through Labour Day.

For more information on these and other events, check your Great Alberta Breaks tabloid or call Travel Alberta toll-free at:

1-800-222-6501

Clandonald News

CLANDONALD CLASS OF '87 — Neil Nelson, Christina Garnier, Bryan Thomas, Tammy DeFord.

By Shirley Osinchuk

A bouquet to the fellows working in K E L Service, for sending out repaired vehicles with the windshield scrubbed clean. Thanks, guys.

The Fish and Game Association wishes to remind everyone that the trout pond is "Private Fishing" for Clandonald Fish and Game members only, and that there is "No Fishing" until September.

Congratulations to Iris and David Attfield who celebrated their twenty-fifth Wedding Anniversary on May 10.

In PeeWee Girls ball, Elk Point beat Clandonald on Monday, May 25, and Clandonald beat Kitscoty on Wednesday, May 27. The Rusylvia Midget boys beat Elk Point on Thursday, May 28.

On Friday, May 23, the Grade 9 class at Clandonald School held their Prom. Mrs. Parke, Principal, introduced the four members of the class, "having a little fun, at their expense". She told about the scholastic qualities and funny incidents that had happened to Tammy DeFord, Bryan Thomas, Chris Garnier and Neil Nelson.

The four students themselves told their class history from Grade 1. They had a little fun at the teachers' expense.

Teachers and staff of Clandonald School entertained with a "skit", one being head and feet and another (hidden behind), being the hands of the "graduating class" preparing for a day at school. Make up and food don't always go in quite the right place when the hands and face belong to different people.

The "Roving Reporter" had been in the school halls again, asking questions that were answered by bits of popular songs. That had to be heard to be appreciated. Again, there was good natured fun poked at staff and

students.

Mrs. Parke encouraged the Grade 9 students to do well in High School, get involved, remember their days at Clandonald, and in closing, she wanted to hear nothing but good about them in the years to come.

Mrs. Parke, Mrs. DeFord and Mr. Houston, the Grade 9 teachers presented Neil, Tammy, Bryan and Chris with certificates. In return, the students presented gifts to the teachers.

Congratulations and best wishes

Tammy, Chris, Neil and Bryan.

Don't Forget

Chuckwagon season underway

The Northern Professional Chuckwagon Association 1987 season got underway this past weekend, with their first race meet of the year at Pierceland, Saskatchewan. Twenty nine outfits took part in the meet with Ray Mitsuing of Loon Lake, Saskatchewan turning in the best total time for the two days.

Drivers from our area taking part were Allan Bensmiller, Buddy Bensmiller and Bruce Craige, all of Dewberry, Allen Smith and Vic Smith of Elk Point and newcomer George Stanley of Frog Lake.

Fifteen more race meets are on the NPCS schedule for this year, with the schedule as follows: Coronation, June 6-7; Dewberry, June 13-14; Wainwright, June 19-21; Big River, June 20-21; Meadow Lake, June 27-30; Unity, July 3-4; Calgary Stampede, July 3-12; St. Walburg, July 17-19; Cheyenne Frontier Days, July 18-26; North Battleford, July 20-22; Spiritwood, July 25-26; Turtleford, August 2-3; Craven, August 6-9; Vermilion, August 15-16; Patricia, September 4-6.

VETERAN CHUCKWAGON TEAMSTER — Allan Bensmiller of Dewberry leaves his opponents back in the dust at the Pierceland Chuckwagon Races, the first Northern Professional Chuckwagon Association race meet of the year.
